

TRAINEE CONCRETE LINE PUMP OPERATOR AND LINESMAN

- Above award wages + super
- Ongoing work
- Based in the Eastern Suburbs

We are seeking a trainee pump operator linesman to join our well established Concrete Pumping and Shotcreting Company. The job entails learning how to complete concrete pumping, shotcreting and concreting works so you must be willing to work in all facets of concrete.

As a trainee, you will report to a number of supervisors from our team. It is essential that you are able to follow instructions and be confident in “giving it a go”.

You must be eager to learn new skills, have good morals, strong work ethics, be a team player, be willing to work overtime and also on Saturdays plus you must be looking for long term stability. We will pay extra for someone with these attributes.

The successful applicant will need to possess the following:

- Speak fluent English
- Australian citizenship
- Previous Australian work references
- Building site and or labouring experience
- Own reliable transport
- Be mechanically minded
- White card, steel capped boots and PPE
- Willing to obtain a medium rigid truck licence
- Own reliable mobile phone
- Live locally to the Eastern Suburbs.
